Tuesday, Wednesday, Thursday and Friday – **After 7PM**

Canine Behavioural Counselling

Initial home visit consultation including written or verbal treatment plan (your choice) and full behavioural treatment session at your home = £120.00

There is no fixed time per session - usually between 2h and 3h is the norm but every visit is unique to each customer and their pet.

Behaviour follow up session at your home = £75.00

There is no fixed time per session - usually between 1.5h and 2h depending on the issue and treatment session required. So-far no customer has needed more than two follow up sessions for even the more serious issues.

Behaviour Pack 1

This includes the initial home visit PLUS 2 x behavioural sessions as above - as a discounted pack. This pack is for the more serious case or owners that may have limited time to maintain the regular therapy needed.

£240 – reduced from £270

Behaviour Pack 2

This includes the initial home visit PLUS 4 x behavioural sessions as above - as a discounted pack. This pack is for the more serious case or owners that may have limited time to maintain the regular therapy needed.

£370 – reduced from £420

One to One – Dog or Puppy Obedience Training

Session = over 1 hour of exclusive 1 to 1 training

1 x Session ----- **£35.00**

3 x Sessions ----- **£80.00** - reduced from - £105.00
